Arrival Day:

We will pick you up from the **Lombok International Airport** or **Harbor** or **wherever you stay in Lombok**. We'll then **take you** directly to beautiful **Tetebatu village** where you can have rest at the hotel, **meet your guide** and settle in. Your guide will give you a **briefing on the trek program**. After that you can relax and enjoy some free time in Tetebatu before going to bed.

Trekking- Day 1:

After breakfast at hotel we will **start** the **ascent to Crater Rim Tetebatu**, at an **altitude of 700 Meters above sea level**. The journey **begins** on the **Monkey Forest** where **you'll meet black and grey monkeys**, and from this place we can already clearly see the Rinjani Mountain and Tetebatu Crater Rim but **Sangkareang** is our goal.

After a scenic 30-minutes stroll from Monkey Forest, we will venture into a lush, untamed forest. The path feels **refreshingly cool**, shaded by a canopy of ancient trees, their leaves filtering out the sun's intensity. **After an invigorating hour and a half**, we will **reach our first resting spot**, known as **Pondok Belanda** or the **Dutch Huts**. This **site**, steeped in **history**, had once provided respite for Dutch explorers before their ascent to the Sangkareang Summit and Lake Segara Anak.

After a refreshing break, **we embarked on a 15-minute journey** that led us into a picturesque meadow. From this vantage point, we can see the village nestled behind us, while the majestic Mount Rinjani loomed tall in front of us. **After an exhilarating hour and a half**, we bid farewell to Pondok Belanda and **arrived at Post 2**, our designated **spot** for a **hearty lunch** and a **well-deserved rest**.

Following a satisfying meal and ample relaxation, we forged ahead towards the Campground area, tackling a moderately steep trail. **Approximately two hours later**, we **reached** the coveted Campground at **Mount Rinjani's south summit Sangkareang**. Here, we pitched our **tents**, ensuring a **comfortable space for rest, dinner**, and a **restful night's sleep**. The awe-inspiring **vistas** of the Rinjani Summit, Sangkareang, and even Mount Agung in Bali, bathed in the golden hues of a breathtaking sunset, completed the enchanting experience.
