

SECRET HAPPINESS CARTEL

SMILE TRIP

DIVING

LET THEM KNOW WE ARE MEANT TO DO GREAT THINGS

DIVE IN AMED

Explore the depths with **our certified PADI dive center**, where we **prioritize** your **safety** and **comfort**.

Amed boasts a wealth of diverse dive sites, ranging from the **renowned U.S.A.T Liberty wreck** (Indonesia's most famous) to the enchanting **Coral Garden** of Amed, and extending to the **Bunutan** site and the intriguing **Pyramids**.

These sites cater to divers of **all levels**, from novices to seasoned enthusiasts. In collaboration with our partners, we also provide **beach initiations**, **Jukung** (traditional Balinese boat) dives, **advanced diving techniques**, and even **captivating night dives**!

Our partner speaks: English, Spanish, French, Catalan and Indonesian.

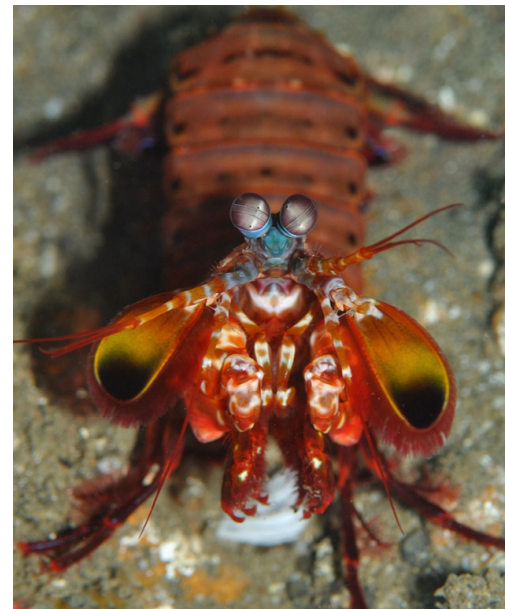

DIVE IN PENIDA

In **Nusa Penida**, we proudly collaborate with a **diving center** founded and led by dedicated women who are **passionate** about **environmental conservation**.

This **center** is **designed** with a **focus on sustainability**, utilizing **locally-sourced and eco-friendly materials**. It places a paramount emphasis on safe diving practices, ensuring accessibility for all while delivering the highest caliber of training.

Nusa Penida is a treasure trove of underwater marvels, boasting sightings of **Manta Rays**, Moon Fish (**Mola Mola**), **Eagle Rays**, **small Sharks**, an array of **vibrant reef fish**, and stunning **coral** formations.

DIVING FORM

PREPARE TO UNVEIL THE UNDERWATER WONDERS THAT THE ISLANDS OF THE GODS HOLD IN ABUNDANCE!

BUT BEFORE WE SET SAIL ON THIS ADVENTURE, WE KINDLY REQUEST SOME ESSENTIAL INFORMATION. YOUR COOPERATION IN FILLING OUT THE FOLLOWING FORM IS GREATLY APPRECIATED. THANK YOU!

MEDICAL FORM

Each diver is asked to answer this medical questionnaire.

If you have any doubts about your state of health, you must carry out a medical examination which could prove costly if carried out on site. Depending on where you are, it is sometimes even impossible to obtain one. No compensation will be payable in the event of a medical ban on diving.

It is imperative to carry out a complete examination before registering if you answer yes to any of the questions below.

Make sure you take it with you.

- | | |
|---|----------|
| • Could you be pregnant? | YES / NO |
| • Do you regularly take prescription or non-prescription medications? | YES / NO |

If you answer "yes" to one of the following questions you must present a medical certificate from a doctor before you can dive.

- | | |
|---|----------|
| • Are you over 45 years old? | YES / NO |
| • Do you smoke ? | YES / NO |
| • Do you have too much cholesterol? | YES / NO |
| • Family history of heart attack or cerebral congestion? | YES / NO |
| • Have you suffered or are you suffering from: | |
| • Asthma, shortness of breath or shortness of breath on exertion? | YES / NO |
| • Hay fever or allergy? | YES / NO |
| • Colds, sinusitis, bronchitis, lung problems? | YES / NO |
| • Have you had chest surgery? | YES / NO |
| • Claustrophobia, agoraphobia, behavioral problems? | YES / NO |
| • Epilepsy, seizures and taking medications? | YES / NO |
| • Migraine, headaches and taking medication? | YES / NO |
| • Fainting or loss of consciousness? | YES / NO |
| • Travel sickness, seasickness, car sickness, plane sickness? | YES / NO |
| • Diving or decompression accidents? | YES / NO |
| • Back problems, back surgery? | YES / NO |
| • Diabetes? | YES / NO |
| • Inability to do moderate exercise (walk 1 mile in 10m)? | YES / NO |
| • High blood pressure and taking medication? | YES / NO |
| • Cardiovascular problems, heart attack? | YES / NO |
| • Ear or sinus problems? | YES / NO |
| • Ear balancing problems (airplane/altitude)? | YES / NO |
| • Hemophilia or other blood problems? | YES / NO |
| • Hernia? | YES / NO |
| • Colostomy? | YES / NO |
| • Drug use or alcohol abuse? | YES / NO |
| • Have you already contracted covid19? | YES / NO |
| • Did you have any after-effects? If so why ? | YES / NO |

Or do you have a medical certificate of contraindications to diving - in this case do not answer the form

Vaccinations and health requirements vary from one country to another, consult your doctor on these subjects, specifying that you are a fan of scuba diving because certain medications are incompatible with it.
